UNITED WAY T&T 2012 ... Accounting for your contributions

TRINIDAD & TOBAGO

In 2012, United Way T&T continued to mobilize human, financial and physical resources for the benefit of community service organizations across the country. Through our varied donor partners, United Way T&T supported the initiatives of a total of twenty-one Charitable Non Governmental Organisations whose services included mentorship and developmental programmes for youth; support for the differently abled and the socially displaced; care for abused and abandoned women and children. UWTT continues to be a major contributor to the care of children through ongoing capacity building of several Children's Homes across the country.

United Way, through its many contributors, provided \$2,864,223.52 to these organizations in 2012:
