BHP Billiton Gives to Childrens' Home

United Way continues to fulfill our vision to be the moving force in T&T for developing and encouraging individuals to fulfill their social responsibility of promoting human well being. In September, BHP Billiton's staff undertook a book drive for children who are in need. Keith Samaru delivered supplies ranging from calculators, book bags, notebooks to writing stationery which was directed to Ms. Nikilia Wright of the Christ Child Convalescent Home located in Diego Martin. Mrs. Gail Weekes of United Way Trinidad & Tobago was on hand to assist in the presentation. These acts of kindness would not have been possible without you, our donors who advocate for our work, by volunteering with your time and by giving towards Trinidad & Tobago's hardworking NGOs in your community. Thank you for your dedication to the cause.
