

BUILDING BRIDGES PROGRAMME: OUT OF SCHOOL TIME HOPSCOTCH BOX INSTALLATION

During the month of September UWTT was able to install Hopscotch Boxes at 3 schools: Mucurapo Boys R.C., Patna River Estate Government, and St. David's R.C. Primary Schools.

These installations fell under the Out of School Time Component of the Building Bridges programme which supports holistic and resilient child development, by creating opportunities for them to engage in supervised physical activity outside of the classroom.

NATIONAL DAY OF CARING PART 2: CUNA CARIBBEAN AND VEMCO AT MT. D'OR GOVERNMENT PRIMARY

In September there was a collective working effort with VEMCO and CUNA Caribbean Insurance Society Limited at Mt. D'Or Government Primary School where [#CareAmbassadors](#) ❤️ painted 7 classrooms from Standards 1 to 5 between them.

The team came out in full force with 44 volunteers to paint and give the classrooms a much-needed facelift. Many hands make light work and through the contributions of our [#CareAmbassadors](#), we can continue to [#ShowYouCareEverywhere](#). [#LiveUnited](#)

CLASSROOM ASSISTANT TRAINEE PROGRAMME

UWTT launched the Classroom Assistant Programme in 2022 to assist infant teachers and entry-level infant children to socialize through play and movement and adapt better to the new norm behaviors. Many of these students were not exposed to group interaction due to the closure of in-person schooling in March 2020.

In September we added 6 more assistants moving from 8 to 14, to help support schools under the [Building Bridges Programme](#).

AGM 2023

United Way Trinidad and Tobago is grateful to our volunteer board for their support, leadership, and stewardship over the years.

This picture was recently taken at our 11th Annual General Meeting, which was hosted both online and in person.

Visit <https://uwtt.com/about>, to learn more about us and learn about the selfless men and women who serve on our board.
