UWTT CHAMPIONS APPRECIATION: JUNE 2024

United Way Trinidad and Tobago (UWTT) held our 1st Champions Appreciation Event Post-COVID on Tuesday, June 18, 2024, at the Courtyard by Marriott, bringing together UWTT board and committee members along with dedicated Champions, some of whom have been supporting UWTT since its establishment in 1999.

This event followed UWTT's successful Day of Caring, held on May 19th, which involved over 2000 Care Ambassadors executing numerous projects benefiting nearly 20,000 individuals across our Twin Island state. The Champions Appreciation Event aimed at fostering re-connection, re-engagement, and re-energizing support across 60 companies, focusing on donations for UWTT's Workplace Employee Giving Campaign that supports initiatives in Education, Family well-being, Equity, and Disaster Resilience.

The evening included speeches by CEO Ms. Gail Sooknarine, Resource Development Manager Mr. Kendall Teloka, and Director Mitchell De Silva, who highlighted future programs like the ALICE Programme. The event also paid tribute to departing Director Don La Foucade and expressed gratitude to the Champions for their unwavering support. Read more [here.](#)
