NOW TEACHER TRAINING JANUARY 2025

13 Teachers across 7 of our Building Bridges schools were able to attend the NOW (Neurodevelopment of Words Programme) refresher earlier in January. This programme forms an important part of the overall Building Bridges from Learning to Success Programme as it helps children to read to learn by age 8. Participating schools included: Cocorite Government, Belmont Boys RC, Patna River Estate Government, St. David's RC, Patience Hill Government (Tobago), Mt. D'Or Government, and Nelson St. Boys RC Primary Schools.

DONATION FROM WOODSIDE ENERGY TO COMMUNITY RESIDENCES

Woodside Energy generously donated 8 dozen bed sheets, which UWTT gave to 4 homes: Sophia House, Rainbow Rescue, Raffa House, and Casa de Corazon benefiting 50 children.

MIC-IT AND UWTT SUPPORT MUSIC AT ST. DAVID'S RC PRIMARY SCHOOL

MIC-IT and United Way Trinidad and Tobago (UWTT) joined forces to support the St. David's RC Primary School in fostering musical talent. The partnership culminated in the presentation of musical instruments to the school on loan, which will help in developing the students' steelpan skills. In addition to the loaned instruments, MIC-IT has pledged to provide a volunteer music instructor to support the school's efforts in building a strong music program.

UWTT STRATEGY SESSION 2025

The volunteer Board and Staff of United Way Trinidad and Tobago, took part in an annual Strategic Session to distill research and create strategies to better serve all stakeholders of UWTT. Present at our session were the UWTT staff and board directors - Ian L Benjamin (Chair), Vincent Pereira (Vice Chair), Karen Darbasie, Jean Andre Celestain, Karen Yip Chuck, Simon Aqvi, Mitchell De Silva, Hazel Douglas, Simone Thorne, and Colin Wharfe.
